## ELECTION IN MANCHESTER

Legislative Primary Comes Off To-Morrow.

THE COUNCIL ALSO MEETS

Said that a Dark Horse Will Be Named for City Attorney—Negro Man Arrested—Hurt by an Electric Car. Personal Mention.

Manchester Bureau Times-Dispatch, No. 1102 Hull Street. The polls will be opened in Manchester at 6 o'clock to-morrow morning, and will remain open until 7 o'clock.

There will be four voting places, as usual, which have been determined upon by the City Committee, as follows:

First Ward, No. 702 Hull Street. Judge—G. W. Reams; clerk, N. T. Bailey. Second Ward, No. 927 Hull Street. Judges—C. A. Pickett, A. Knorr; clerk, W. C. Pulliam.

Third Ward, No. 1116 Hull Street. Judges—M. A. Rightsall, Puckett; clerk, W. H. Toussaint. Fourth Ward, No. 1321 Hull Street. Judges—Charles Burkert, W. T. Pugh; clerk, James Watts.

The ticket to be nominated will be for the Legislature and the City Council. For the Legislature, Messrs. Robertson, Sadler are up for the Senate, and Messrs. Rivers, Woodland and Harrison for the House.

The friends of all the candidates, and the candidates themselves, have conducted an industrious canvass and now call upon the voters to do the rest. There have been no public meetings in Manchester, but the voters have been appealed to quietly.

Present indications are that a small vote will be polled. The Republicans and Independents will look on and keep hands off, and at a district convention on October 22 will nominate a full ticket for the Legislature.

All the election officers mentioned above will meet at the Mayor's court room at 8 o'clock this evening for instructions. Chairman French, of the City Committee, asks all voters to get their votes in.

**WILLIE GRAY ARRESTED.**  
A negro, named Willie Gray, was arrested last night on the specific charge of stealing a pistol from Walter Smith some time ago.

Other things are believed to be up against his door, and Officers Smith and Moore will investigate. The negro is believed to be one wanted in Richmond on a larceny him to-day.

**HURT BY CAR.**  
A colored man, named Roger Smith, was struck by a Richmond and Petersburg electric car about 11 o'clock Monday night near No. 2 Station, and quite painfully hurt. He was sitting on the tie at the time, and was apparently asleep. The injuries were not serious.

**TO ELECT CITY ATTORNEY.**  
Council has been called in joint session for to-morrow night to elect a City Attorney. The only candidates so far mentioned are Messrs. Charles Page and D. L. Pulliam.

**"DARK HORSE."**  
Owing to opposition among some councilmen to electing a man who already held a city position, it was said last night that a "dark horse" would be named at the meeting to-morrow night.

It was also said by a councilman that the name of Mr. D. L. Pulliam would be withdrawn from the contest, and that of his son, Mr. Willis Pulliam, substituted.

Mr. Willis Pulliam is a young lawyer of great promise. He has been spoken of frequently by citizens as the possible successor to Mr. Page as Commonwealth's attorney, the latter gentleman having expressed himself as being "out of it" for re-election.

As Mr. Ernest H. Wells and Mr. Robert Rivers are the only other lawyers in Manchester, and the latter is running for the Legislature, Mr. Willis Pulliam is probably the "dark horse" referred to by the councilmen last night.
